June 2026

It has been a number of years since we last had the opportunity to celebrate Confirmation Sunday. On Sunday, June 7th, we will celebrate Confirmation Sunday and SBRC welcomes Armando Franco, Aiden Stabile, and Ryan Stabile as adult communicant members!! This has been an interesting year due to rescheduling classes due to weather and holidays as well as my health issues. I am so excited to welcome these three young men as they have handled each curve ball that was sent our way this year. Also, I would like to thank Adam Franco for staying at each class as well as Tracy Davenport for stepping in to help with their stoles when my health issues caused me to miss a class. As we celebrate this year, please be sure to welcome them and to ask them about their stoles.

SBRC is entering the "Summer Slowdown" as the month of June begins and we all take the opportunity to find ways to rest, relax, and take vacations with our families and friends. Please know that SBRC will be gathering each Sunday to worship and fellowship with one another! Also, don't forget that just because it is Summertime, that doesn't mean that the church's bills and financial concerns take a break. In fact, it is most important that we keep our offering & tithes during this time so that we don't run the risk of falling into the red with our budget.

Remember to mark your calendars for Saturday, June 20th for the **Flood Wall Drill** beginning at 9:00 AM. It is a great opportunity for those who are already trained to practice laying out, setting up, and breaking down the wall. Also, for those who haven't been trained, this is the perfect time to come and learn all that is involved. Remember, when the hurricane forecast has us in its sights, all hands are needed to put it up!

Finally, a personal note of thanks! I really want to express my thanks to all of you at SBRC! This year has thrown me an obstacle to my health, and you all have been extremely supportive, loving, and caring. You have handled last-minute changes with grace and understanding. You have kept me in your prayers and have sent cards of support. As of now, I am feeling great and making progress, but there is more to come, and I know that you all will continue to walk this journey with me. May God continue to bless each of you and SBRC!

Treasurer's Notes ...

April has been a remarkably busy month at SBRC. Thanks to Bill Munro, the property committee and a generous donation from Endowment, the parsonage has received a much overdue facelift. This included new railings and columns for the patio and west front porch. A new roof was installed on the north side patio as well as repair of the bottom wood of the sunroom. Soon the house and garage will receive a fresh coat of paint.

Attendance at the Easter services was lighter than usual, but donations were generous. The roast beef dinner was a tremendous success. We nearly sold out. Thanks to Chef Tyson and all who helped or baked, we made a profit of \$2,410.

Yes, April was a spectacular month, financially. We started the month, \$2,009 in the red, in our current expense budget. Thankfully, expenses were normal, with no large, unexpected bills. I am happy to report we ended April \$1,634 in the black. Way to go, South Branch. Let us keep up this momentum.

May God continue to bless our church and its people.

The children will begin in Church and following the year-end ceremony will head out for some fun. Younger siblings (and Grandchildren) are welcome and encouraged to attend!

I want to send a special thank you to all our Sunday School Volunteers that helped make this school year a success. Our teachers: Danielle Dougherty, Jessica Estevez, and Kacey Kowalchuk, and substitutes and helpers: Adam and Valerie Franco, and Debbie Norz. We were very blessed to have had such a great turnout of volunteers, we couldn't have done it without you.

Wishing all our students, volunteers, and Church families a blessed and safe summer break and looking forward to catching up on Sunday mornings. Watch for information throughout the Summer regarding our Welcome Back picnic and the start of our 2026-2027 school year.

It is our pleasure each year to congratulate the graduates in our immediate and extended church family. Congratulations to:

Jacob Davenport, son of Tracy & Dan Davenport and grandson of Judy Coates, will graduate from Hillsborough High School on June 25, 2026.

John Madsen, grandson of Judy Coates and nephew to Tracey and Dan Davenport, graduated from Dulaney High School on May 27, 2026.

Pre-School News

Our final study of the school year was our Exercise Study. Students explored how their bodies work, what is needed to move, and how physical activity promotes a healthy lifestyle. We concluded the study with our annual Father's Field Day. This is such a fun morning for our students and a male relative with relay races, snacks and fun. We also raise money every year for St. Jude Children's Hospital by participating in a Trike-A-Thon. This year our students raised over \$1,600 for St. Jude!

We celebrated our end of the school year with our annual Year End Ceremonies. Twenty- seven of our students will be moving on to Kindergarten in the fall and we are so proud of them! Forty-four of our students will be returning in the fall for another year of preschool.

As we reflect on this wonderful school year, we are filled with gratitude for the many blessings that make our preschool community so special. We are especially thankful for our dedicated teachers, who go above and beyond each day to nurture, guide, and inspire our students with love and care. We are also deeply grateful to our preschool families, both past and present, whose kind words and continued recommendations mean so much to us. In addition, we sincerely appreciate the support of our church parishioners, whose encouragement, prayers, and recommendations continue to strengthen our preschool community year after year.

Wishing you a wonderful and relaxing summer and we look forward to another successful 2026-2027 school year.

Women's Group News ...

Women's Group met May 17th during coffee hour and clipped 592 stamps, while enjoying treats such as taco salad, homemade muffins, and lemonade provided by the Czifra family. The amount of stamps in the basket is getting low, so we hope that you will be looking for and saving stamps over the summer. Please make sure that they are stickable, lickable stamps, not printed types. If you cut them out, please leave a 1/4 inch margin around each stamp. If you don't feel like cutting them out, just drop them in the basket on the shelf in the church office and we will trim them. The Alliance Stamp Ministry, who receives our stamps, has raised \$10,000 as of April to use toward printing Sunday School materials in Spanish. It's amazing that they have found a way to use what we would just put into recycling to spread the word of Jesus.

Also remember the River Blindness Mission over the summer. You can provide children and adults with glasses, surgeries, and medicines to prevent blindness and enable each person to pursue a better life. Just one dollar, dropped into the container by the sanctuary steps, equals \$17 in Africa, where things are less expensive to begin with. This giving is in keeping in the Bible where Jesus teaches a parable in the book of Matthew where the servants received praise from their master when they used their "talents" wisely, increasing them. River Blindness Mission is such an opportunity where your money has such strong buying power to help people and bring the Word to life for them, showing them that people care. Be generous and let God bless your generosity.

Have a blessed summer.
